This Week in Reading

We are all finished with our first grade reading series. ☺ The students have done a very nice job!! They have worked so hard on their phonics, fluency, decoding, and comprehension skills. Whether your child is reading a chapter book, a step 1 book, or an early reader, you should be so proud of the strides your child has made. I am so pleased with them!!

THIS WEEK IN PHONICS

This week we will not be learning any new sight words, but we will be reviewing a lot of the words we have already learned. We will be participating in word wall activities including "MIND READER" and "WORDO"

It has been a real joy teaching your child this year.

They have all grown academically, socially, and physically since September! I will miss this class, you have such amazing children!! I can't tell you how much I have laughed and learned! I have been amazed at the things they have accomplished this year!!! Have a WONDERFUL summer!! And KEEP READING!!!!!! ☺☺☺☺☺

SPELLING WORDS

No spelling words this week.

MATH

We will continue in our math series, but no formal test or quiz will be given. ☺ Keep adding and subtracting all summer to get ready for second grade!!
